WEST MICHIGAN BUSINESS AIRCRAFT ASSOCIATION

AVIATION SCHOLARSHIP PROGRAM

The West Michigan Business Aircraft Association (WMBAA) was formed in 1980 to help promote aviation in West Michigan. Part of that effort includes promoting the development and training of future aviation professionals in our area by awarding aviation scholarships to outstanding aviation students. Our desire is to ensure that the industry in West Michigan remains strong. Contributions from aviation industry employers and individuals have allowed us to continue awarding these scholarships for over 25 years.

WMBAA and our sponsors invite interested sophomore, junior and senior aviation students attending college, university, or technical schools in West Michigan with a GPA of 3.0 or higher to submit an application for a WMBAA Aviation Scholarship.
