Career & Student Employment Services (C&SES) delivers career education and employment services to students and alumni of Western Michigan University. The centralized office is located in Ellsworth Hall, and satellite offices are located across campus within the advising offices: Parkview Campus, Oakland Campus, Friedmann, Sangren and Schneider Hall.

Career Education services include advising, resources, programs, events, and instruction to guide students to explore academic and career possibilities, make career decisions, obtain internship and employment leads, and develop skills for conducting a successful job search and transitioning successfully into the world of work and/or graduate school.

- *Nursing Orientation Day
- *Engineering Opportunity Day
- *Dress to Impress
- *Practice Interview Day
- *Etiquette Dinner
- *Exploration & Networking with alumni & employers
- *ISM Career Night
- *Career Fair
- *Teacher Education Career Fair
- *U1020: Career Exploration, 1 credit
- *Career Search Manual
- *Advising: Drop-in or by appointment
- *Career Education Topics include: Career Assessment & Decision Making, Resume Writing, Interview Skills, Job Search, Negotiating Job Offers, and Communication in the Workplace.

Employment Services include job listings (part-time, summer, internship, co-op, and post-graduate professional), volunteer opportunities, on-line resume books available to employers, on-campus interviewing, and a mentor database to support networking with WMU alumni. Employment Services are available by creating an account and logging in at www.broncojobs.wmich.edu

Career & Student Employment Services surveyed July 2004- June 2005 graduates of Western Michigan University. The following report summarizes the internship experience, employment and average starting salaries of graduates who responded to the survey by January 2006. Recent graduates participate in the survey voluntarily and self-report their employment and salary data. To ensure privacy, personally identifiable information is kept confidential, and salary data are summarized and averaged for majors with three or more salary respondents.

	# of Surveys	Low	Mid-Point	High	Average Salary Reported
