Master of Arts in Family and Consumer Sciences - Dietetics Concentration

This degree is intended for students with undergraduate backgrounds in dietetics, home economics, human ecology, or other areas that are closely related to the science of nutrition. Usually applicants to this concentration have either:

- a B.S. in dietetics from a CADE (Commission on Accreditation of Dietetic Education)-accredited undergraduate program

Or

- a B.S. or B.A. in another field combined with CADE's minimum academic requirements
