Resources for Career  
Guidance and Exploration

### Master of Arts in Educational Technology

This 30-33 credit hour academic degree provides educators with a strong background in educational technology and provides graduates with leadership skills to integrate technology into teaching and learning activities in educational institutions.

### Graduate Certificate in Educational Technology

This 15-21 credit hour non-degree program in Educational Technology provides a strong framework for personal and professional development of educational technology competencies for individuals interested in acquiring a broad introduction of concepts and skills in the use of various technologies to enhance teaching and learning.
