Resources for Career Guidance and Exploration

Master of Arts in Socio-Cultural Foundations of Education

This program is designed for educators striving to understand and improve the quality of educational practice at all levels. It centers on the study of contemporary issues and problems in education. The program aims to encourage and support the work of educators seeking to examine aspects of schooling by way of focused inquiry in the social-historical, cultural, and philosophical contexts of educational practice.

The Urban Program:

Kalamazoo Public Schools In Partnership With The Department of Teaching, Learning, and Educational Studies

- The Urban Program is focused on preparing students to teach urban learners in a climate of support and cultural responsiveness, where the knowledge, experiences, and gifts of each child are valued and used as the most important basis to guide teaching choices.
