

**Western Michigan University
Department of Civil and Construction Engineering
Civil Engineering Alumni Survey**

The purpose of this survey is to evaluate our civil engineering program. The department will use your assessment only to improve our program. Your cooperation is greatly appreciated.

Note: please include address if different than the address label.

Personal Information:

Name: _____

Position title: _____

Place of work: _____

Address: _____

Please provide your opinion to the following statements.

Please use in the following scale (5=Strongly Agree; 4=Agree; 3=Disagree; 2=Strongly Disagree; 1=Not Applicable) in answering the following questions.

1. The civil engineering curriculum prepared me well in: (5 4 3 2 1)
- a. Structural analysis, design concepts, and principles.
 - b. Transportation engineering concepts and principles.
 - c. Construction engineering, management concepts and principles.
 - d. Construction materials and methods along with their applications.
 - e. Environmental engineering concepts and principles.
 - f. Soil mechanics concepts and principles.
 - g. Building codes and construction specification principles.
 - h. Effective oral, written and illustrative communication.

Please check the appropriate box in front of the options for the following questions.

2. What professional registration(s) have you earned?
 Civil (P.E.)
 Plan on taking P.E. Exam (date) _____
 Other _____
 None

3. Have you obtained or are you working on an advanced degree(s)?
 Yes (Please specify) _____

4. In which area(s) of expertise of civil engineering is your work related?
 Structural Transportation Construction
 Hydrology/Hydraulics Geotechnical Environmental
 Other

5. In what professional segment are you employed in?
 Federal Government State Government
 Construction/Contracting Consulting
 Other City/County Government

6. Are you a member of any professional societies?
 No Yes (Please specify) _____

7. If 'yes' to question five, do you hold an office or are you a member of a committee of a professional society?
 No Yes (Please specify) _____

8. Do you attend any non-degree post baccalaureate courses during the year? If so, how many?
 More than three One to three Seminars/Workshops None

9. How many technical conferences (regional, national, international) do you attend annually?
 More than one per year One per year None

10. How many self-study courses do you attend per year?
 More than one per year One per year None

Thank you for your participation. Please return the survey to Professor Haluk Aktan by fax at (269) 276-3211, by email at haluk.aktan@wmich.edu, or by mail at Western Michigan University, Department of Civil and Construction Engineering, 1903 West Michigan Avenue, Kalamazoo, MI 49008-5316.
