

Unit 4 Counting Models

Lesson 1 *Methods of Counting* 216

INVESTIGATIONS

- Careful Counting 217
- Permutations and Combinations 222

MORE 232

PUMP 238

Lesson 2 *Counting Throughout Mathematics* 240

INVESTIGATIONS

- Counting and Multiplication Rules for Probability 241
- Combinations, the Binomial Theorem, and Pascal's Triangle 245

MORE 250

PUMP 256

Lesson 3 *The Principle of Mathematical Induction* 258

INVESTIGATION

- Infinity, Recursion, and Mathematical Induction 259

MORE 264

PUMP 268

Lesson 4 *Looking Back* 270
