Summer I/Summer II Dining Service Options

If you will be taking classes this summer, Dining Services is here to serve you. The choices for summer include setting up a Dining Dollars account or purchasing a 10 or 15-Meal Plan. Meals are served in the Hoekje/Bigelow dining room during the summer sessions, and WMU Campus Cafés are open to serve you. Check our web site for summer hours, to purchase your meal plan, or to set up and manage your Dining Dollars account. Thank you for choosing WMU Dining Services!

Dining Services available for off campus students too!

If you are living off campus next year, WMU Dining Services is still available to you! At any of the residence hall dining rooms, you can still find popular cuisines at the specialty venues, enjoy your favorite menu selections, delight in a healthy salad or wrap, or enjoy a Panini sandwich at the deli bar. Dining Services welcomes the opportunity to continue to serve you.

Many off campus students sign up for a commuter meal plan or set up a Dining Dollars account. Commuter students tell us they love the convenience of eating on campus. Whether enjoying full meals in residence hall dining rooms, or making purchases at any of the WMU Campus Cafés, Dining Services offers flexible and convenient options for you.

To sign up for a commuter meal plan or set up a Dining Dollars account, go to our web site at www.wmich.edu/dining. You may charge your meal plan or Dining Dollars purchase to your student account. Check out your options at our web site.
