2006-2007 Federal Direct Graduate PLUS Loan Information Sheet

What is the Federal Direct Graduate PLUS Loan?

The Direct Graduate PLUS loan enables a graduate student to borrow to pay towards educational expenses if you are enrolled at least half time. It is available through the Federal Direct Loan Program at Western Michigan University. The Direct Graduate PLUS loan is additional assistance beyond the the Federal Direct Subsidized or Unsubsidized Loan Program.

Award eligibility is based on the information supplied on the *Free Application for Federal Student Aid* (FAFSA). The maximum amount you may borrow is based on the cost of attendance for the loan period minus other estimated assistance including eligibility for the Federal Direct Subsidized or Unsubsidized Loan program. However, applicants are encouraged to borrow the minimum amount needed to cover your actual costs.
(visit: www.wmich.edu/finaid/4-costs/costs.html for the estimated costs and a "Budget Calculator").

Who may borrow a Federal Direct Graduate PLUS Loan?

The borrower of a Graduate PLUS loan is the student if they are admitted to a graduate degree-granting program, are enrolled at least half time, and do not have adverse credit history.

How do I apply for a Federal Direct Graduate PLUS Loan?

2. Complete the Direct Graduate PLUS Master Promissory Note (MPN) at <http://dlenote.ed.gov>. The MPN is required of all **first time** borrowers, unless otherwise notified.

The Federal Direct Loan Servicer will complete a credit check on the borrower.

What if I don't pass the credit check?

If you don't pass the credit check, you will be notified in writing by the Federal Direct Loan Servicing Center, and they will indicate that you have the following options:

- **Appeal:** If you think there may be an error in how the credit worthiness was determined.
- **Endorsement:** You may obtain someone else to endorse the loan who does not have adverse credit history. This person would be responsible to repay the loan if you are unable to make the payments.

Who receives the Federal Direct Graduate PLUS Loan funds?

Western Michigan University may receive the funds in at least two installments (usually ½ for fall and ½ for spring). We will apply the Graduate PLUS loan (and any other financial aid the student is receiving) to the direct educational charges on the student's account (usually tuition, fees, room and board) and then to other authorized charges. If any funds remain after the student's bill is paid, a refund will be sent to the student.

Repayment information:

After you have accepted the Direct Graduate PLUS loan, a "*Disclosure Statement*" will be sent to you by the Department of Education indicating the amount you are borrowing, the loan period and the loan fees for 2006-2007.

The fixed interest rate as of July 1, 2006 is 7.9%.

The repayment period begins on the date of the final loan disbursement for the loan period **and the first payment is due within 60 days after the day the loan is fully disbursed.** Interest begins to accumulate at the time the first disbursement is made.
