Disability Notice for Federal Loans

According to information we received from the National Student Loan Data System (NSLDS), you have loans that were cancelled because of total and permanent disability. The type of discharge may be conditional, permanent or you have reaffirmed a previously discharged loan. You are ineligible to receive federal or state financial aid funds unless certain conditions are met. We encourage you to resolve this issue as quickly as possible. **Your completed form (and all other requested documentation) must be received in our office at least 30 days prior to your last date of enrollment for the academic year you are requesting financial aid.** Many financial aid programs have specific deadlines. Delays in processing your application may result in a reduction or loss of financial aid awards. If you have any questions or need assistance, please contact us at (269) 387-6000 between 8 a.m. and 5 p.m., Monday through Friday.
