CORP 4560: SEMINAR IN COMMUNITY AND REGIONAL PLANNING

WEDNESDAYS 6:00 PM – 8:30 PM, 2129 WOOD HALL
CRN: 46026

CORP 4560 will benefit a wide range of majors and give you real world examples. This course is a required course for students in the community and regional planning major, however for a limited time we are opening the course up to others. Come to our office and we will register you. Register now to make sure you get a spot!

Topics the class will cover include:
• A survey of the field of land use planning
• Concepts of land use planning
• Traditional and contemporary approaches to land use planning
• The background and practice of zoning and subdivision regulations in American municipalities
• Land use and transportation planning
