

PA Job Posting

Who: DA Blodgett for Children

Where: Grand Rapids, MI and is located on Leonard between Fuller and College

Description: PA/NP to work approx 4 hrs a week in their medical clinic. There is an RN and an MA who work in the clinic as well. Lynn Beals PA-C currently works there on Monday afternoons. They are open M-TH and would be open am's or afternoons. They see children ages 1-18 who are in Foster care. They see them for their initial visit, but do not do any of the legal evaluations for children who have been abused. They also do not do pap and pelvic exams. They do see kids if they are sick or have mild injuries. Then they do yearly exams on those who remain in the system. They do not do any of the Psych assessments or medications either. There is a GYN clinic and a Psych who comes in each week to do those kinds of exams. You must be comfortable seeing children and should be up on developmental problems and problems associated with drugs used during pregnancy.
