We have a position for a PA in our Cardiology practice. We have 2 offices, one in Kalamazoo and the other in Battle Creek. This would be a full time position working with 2 physicians. We are looking for an energetic, hardworking individual to help the physicians with office patients, hospital rounding and call coverage preferably with cardiology experience. Excellent benefit package. Please call me or email me at kstuut@kalamazoocardiology.com.

Kathy Stuu, CMA-A (AAMA)
Kalamazoo Cardiology, PC
Practice Manager
1535 Gull Rd, Suite 205
