Job Description: We are a thriving practice in Southwest Michigan. We are looking for a Physician Assistant to join our team. We are a very patient centered practice that believes in continuity of care from inpatient, to outpatient medication management to providing psychotherapy.

PA will be extensively trained by the Physician to work in multiple settings from the inpatient unit, to outpatient office setting, to nursing homes and other venues. Responsibilities include:

- Psychiatric Evaluations
- medication management
- covering inpatient consultations and rounding
- nursing home visits

Patient population is highly diverse across the lifespan (children, adolescents, adults, seniors and families).

This is can either be a part-time or a full-time position and will include some call coverage on the weekends.

Qualification: License in good standing in the State of Michigan, previous experience in Psychiatry or other mental health background preferred but not required. Willing to train a new graduate with excellent communication and interpersonal skills.
