

Court Required Service or Jury Duty Certification
(Staff Compensation System & All Other Non-Bargaining Employees)

To receive regular pay from the University in the event you must appear for Jury Duty or Court Required Service, follow these procedures:

- 1. Confirm eligibility. You are eligible to receive regular pay and retain any jury or witness fees received if:
 - A. You are called for jury duty, or
 - B. Subpoenaed to appear as a witness in a legal action involving Western Michigan University to which you *are or are not* a party.
 - C. You report for regular University duty when court attendance is not required.

Please note that if you are subpoenaed to appear as a witness in a legal action not involving Western Michigan University, you are *not* eligible to receive regular pay. You may either use annual leave or no-pay leave for the time lost from work; please make the necessary arrangements directly with your supervisor.

- 2. Submit a copy of your summons/subpoena to your supervisor as soon as possible.
