

WESTERN MICHIGAN UNIVERSITY  
INDUSTRIAL AND MANUFACTURING ENGINEERING  
DEPARTMENT

***CLAUSING INDUSTRIAL, INC.***  
***SCHOLARSHIP***

High School seniors planning to pursue a bachelor's degree at Western Michigan University in any of the programs listed below are invited to apply for this scholarship:

*Engineering Management Technology*

*Engineering Graphics and Design Technology*

*Manufacturing Engineering Technology*

---

Clausing Industrial, Inc., a well-established manufacturer and distributor of machine tools in Kalamazoo, Michigan, has been offering a scholarship to attend Western Michigan University since 1953. This scholarship is open to all graduating seniors with a preference to those who have taken at least one course in industrial arts.

The award is for \$1000 per year for four years provided the student continues to maintain a cumulative GPA of 2.5 or higher and to make satisfactory progress as a full-time student towards a degree in one of the programs specified above.

To apply for this scholarship, you must submit (1) a completed application, (2) a sealed high school transcript, and (3) a recommendation letter from your vocational/technical education teacher or counselor. The Scholarship committee may interview top candidates for the final selection. **Submit application by March 15** to:

Scholarship Committee  
Department of Industrial and Manufacturing Engineering  
Western Michigan University, Parkview Campus  
Kalamazoo, MI 49008-5336

If you have any questions or need additional applications or information, please contact the Industrial and Manufacturing Engineering Department, F232 Parkview Campus, Kalamazoo, MI 49008-5336 or call (269) 276-3350.
