

CLASSROOM OBSERVATION FORM (v3)

Name of Instructor/TA:

Date:

Course being observed:

Observer:

Directions: Have two copies of this form available. The observer should note the prompts given below and make comments in each of the five sections. The instructor should independently complete the form immediately after delivering the lesson, but before conferring with the mentor. Use the two completed forms as the basis for reflective discussion and plans for future lesson observations.

1. Describe at least two things that went well during the lesson:

a.

b.

2. Describe one thing that went "differently" from what you expected (if applicable):

3. How successfully do you feel students were in achieving the objectives of the lesson? How do you know? Give evidence to support your conclusion.

4. Describe any changes you would consider if you were to teach this lesson again. (What would you change and why would you change it?)

5. As a result of teaching this lesson, and the feedback you received from your students and from your own reflections, what have you learned that will help you.
