Other books that might be considered competitive or complementary (explain briefly and give author, title, publisher, date):

Is the manuscript under consideration elsewhere? If so, please explain:

Intended audience:

Please list at least three persons whom you would consider well qualified to provide an authoritative appraisal of the manuscript, with addresses if possible. These should not be people with whom you have been closely associated.

Names and addresses of those who have already read all or part of the manuscript and who can be consulted for their opinions. (Please be as specific as possible about how much of the manuscript was read, and at what stage.)

Please provide in the space below or on a separate page a brief description of the work and your analysis of its contribution to the literature on the subject.
