### **Synopsis**

*Tuba on the Roof*, very loosely based off of the hit musical *Fiddler on the Roof*, is the endearing tale of Tevye, the tuba playing farmer who has taught all his daughters how to play tuba, and is now desperate to find his daughters suitable tuba-playing husbands. With the help of God and the matchmaker, Tevye and his daughters go on a wild adventure through the countryside, meeting all kinds of strange and interesting people! Will Tevye's daughters find the perfect husbands? Who will they meet along the way? Does the plot actually make sense this year?!? Find out all this and more at this year's TubaWEEN production, *Tuba on the Roof!*
