Objective

To obtain internship position in the field of Paper or Imaging Science that will utilize my work experience, technical knowledge, adaptable nature and strong ability to work with team while contributing to the goals of company.

Education

Master of Science Paper, Imaging Science and Engineering

Anticipated Graduation Date: December 2009

Western Michigan University, Kalamazoo, MI, USA

GPA 3.5

Bachelor of Engineering Printing and Graphic Communication

Date: June 2006

University of Pune, Maharashtra, India

GPA 3.5

Diploma in Printing Technology

Date: June 2003

Maharashtra State Board of Technical Education, India

GPA 3.5

Relevant Coursework

Printability Analysis, Design of Experiment, Non Impact Printing, Advanced Paper Processes, Printing Processes (Screen, Offset, Flexography & Gravure), Surface Preparation, Binding, Reproduction Photography, Electronic Color Separation, Flexible Packaging, Technology of Gravure, Flexography & Offset, Advertising & Multimedia, Electronic Image Setting, Costing & Principles of Management, Electronic & Mechanical Subjects, etc.

Master's Thesis:

Development of "Green Inks" and printability study

Undergraduate Research Project:

Computer to Plate (CtP) & Four Color Sheet fed Offset Press Calibration

Undergraduate Seminar:

Basics of Digital Imaging

National Level Paper Presentation Competition:

"Technical Symposium 2006" successfully presented paper on 'Automation in Offset Printing' and bagged merit certificate.

Computer Skills

- MINITAB 15
- MS Office
- Adobe Design Premium CS 3

Work Experience

Teaching Assistant (IMAG 1500)

PCI Department, Western Michigan University, Kalamazoo, MI (Sept. 2008-December 2008)

- Help Undergraduate students to learn computer software Adobe Indesign and make them familiar with basics of all printing processes.
- Explain the use of equipments in printing press such as Offset duplicator, Guillotine cutter, Screen printing assembly, Exposing unit and Platemaker.
- Grade periodical assignments and track progress of each student.

Visiting faculty

Research Institute of Printing & Graphics Communication Pune, India (July 2005- June 2006)

- Teach subjects like Reproduction photography, Presswork, Binding & Finishing, etc.

Team Leader (Production Supervisor)

CLASSICS STRIPES Pvt. LTD is a SGIA & FESPA award winning company well known for printing of Car & automotive (Bike) pressure sensitive graphics, by Rotary Screen Printing machines as well as Digital Presses (Large Format Printers), at Mumbai, India. (June 2006-November 2007)

Key Job Responsibilities:

- Production supervision
- Quality control(rejection/production defects analysis)
- Scheduling of the jobs & get done from team
- Management of manpower
- Attend training on SAP (systems, applications and products in data processing).

Awards and Scholarships

- **2008 FFTA (Foundation of Flexo. Technical Associ.)/Sun Chemical Research Fellowship**
- **2008 GEF(Gravure Education Foundation) Corporate Leadership Scholarship**

Extracurricular Activities

- Vice President WMU TAGA Chapter (Technical Association of Graphic Arts) (2008-2009)
- FTA member (Flexographic Technical Association) (2008-2009)
- Member of Teaching Assistant's Union (TAU) at WMU (2008-2009)
