

UNIVERSITY ASSESSMENT STEERING COMMITTEE
Summary Note for Meeting #23: 9:00 – 11:00 AM, June 10, 2004

Members Present: Linda Delene (Academic Planning and Assessment/Provost's Office), Brad Dennis (University Libraries), Bruce Ferrin (Marketing), Linda Ickes (Career and Student Employment/DOSA), Donald Meyer (Economics), Deb Newson (EUP), Peter Parker (Paper & Chemical Engineering), David Reinhold (Chemistry/USC), Ed Roth (Music), James Kiddle (Chemistry, AAUP), Lonnie Hannaford (College of Education, Robert Wertkin (Social Work and Committee Chair)

Summary Note # 22 for 5-13-04 was approved. Wertkin and Delene welcomed new UASC members and praised the dedication and commitment of those who have completed their service to the UASC.

Delene reported on the implementation of the Student Information System (SIS). Selected elements of departmental assessment plans will be entered into TracDat. UASC members will receive an orientation to TracDat in the Fall. The RACT structure will remain intact and serve as an important resource to departments in preparing assessment plans for TracDat entry.

Assessment plans were discussed. Accounting was approved pending a minor revision. Blind and Low Vision Studies and the MBA program was tabled until the Fall. Revisions to the plans from the School of Art and MFA are pending and will be reviewed in Fall. Further revisions were requested for the Department of Dance
