Check GoWMU frequently for individual as well as campus announcements!

You can use the links in the My Self Service channel to register for courses, see your grades, as well as to view financial aid information.

Registration related links:

- Search Course Offerings for a given semester or session
- Add or drop courses
- View your schedule
- View any holds on your account
- Look at the academic calendar for semester start/end dates, deadlines, registration dates, etc.

Financial:

- View or make payments on your account
- View your financial aid information
- Add an authorized user who can also make payments on your account.

Academic:

- View your midterm and final grades, as well as your unofficial transcript
- Request an official transcript
- Run an online audit to chart your progress toward a degree, or run a 'what-if' analysis
- Print an enrollment verification certificate

Personal:

- Update address and phone information
- Update your emergency contact information
- Register your vehicle
