Working Group 1: Applying Framework

GROUP LETTER (A-E): _____

Please select one or two projects discussed in the morning meeting and use these as case studies to answer:

How do these projects fit within the Framework presented in the conference paper / morning discussion (The foursquare of: individual – collective; prescriptive – emergent):

How do the ideas / projects NOT fit within the framework?

How might the projects be extended based on the Framework?

How might the Framework be modified, based your the discussions of these projects?
