Western Michigan University Curriculum Guide for Sustainable Brewing

Program description and notes: The goal of the program is to educate students to be intimately familiar with the technical features of brewing, to appreciate the rich landscape of the industry, and to comprehend and address the environmental challenges faced by the industry in the 21st century.

- ❖ The program was launched in a joint effort between WMU and Kalamazoo Valley Community College in the Fall of 2015.
 - KVCC offers the brewing courses at its Kalamazoo campus.
 - Twenty-six (26) credits and an externship are offered.
- ❖ Students will learn the brewing process in a teaching brewery outfitted with the comprehensive functionality of industry equipment and facilities that incorporate sustainable brewing practices.
- ❖ This program is the first of its kind in the nation.
- ❖ The program includes classroom work that is coupled with firsthand experience in a small-scale teaching brewery going through the process of brewing from “grain to glass.”
- ❖ Students seeking only the brewing certificate can complete that as a stand-alone program at KVCC or complete the certificate as part of an associate degree designed specifically to transfer into the Bachelor of Science program at WMU.
- ❖ Students can also begin their studies at another community college, college, or university, or WMU and complete the KVCC certificate along the way to their bachelor’s program.

General Requirements:

- ❖ Please refer to the [WMU Essential Studies \(WES\) Transfer Guide](#) that lists courses meeting WES requirements at WMU that may be taken at LMC.
- ❖ All students graduating from the College of Arts & Sciences must complete the College of Arts and Sciences Essentials (CASE). This includes world language proficiency (detailed in next bullet point), ENGL 1050/1060 sequence, and by completing the baccalaureate writing requirement.
 - Students will meet the world language proficiency by completing two semesters (6-8 hours) of the same foreign language or American Sign Language or passing WMU's proficiency by exam. Please contact the College of Arts & Sciences Undergraduate Advising Office at (269) 387-4366 with any questions. Neither the MACRAO Agreement nor the MTA satisfy the world language requirement.
 - If the student's first language is not English, then the student is exempt from this requirement. Determination of eligibility for this exemption is based on whether the student was required to take the TOEFL test for admission and can be verified through the WMU departments of Spanish or World Language and Literatures.
- ❖ Students receiving the Michigan Transfer Agreement (MTA) will have CASE (including world language proficiency), and WMU Essential Studies Level III – Connections to complete.
- ❖ For those *not* obtaining the MTA, please refer to WMU Essential Studies Transfer Guide.
- ❖ You may email the WMU advisors in the College of Arts and Sciences for further clarification about **WES** or **CASE**.
