

Mid Michigan Community College

2022/23

Western Michigan University Curriculum Guide for Sustainable Brewing

Program description and notes: The goal of the program is to educate students to be intimately familiar with the technical features of brewing, to appreciate the rich landscape of the industry, and to comprehend and address the environmental challenges faced by the industry in the 21st century.

- ❖ The program was launched in a joint effort between WMU and Kalamazoo Valley Community College in the Fall of 2015.
 - KVCC offers the brewing courses at its Kalamazoo campus.
 - Twenty-six (26) credits and an externship are offered.
- ❖ Students will learn the brewing process in a teaching brewery outfitted with the comprehensive functionality of industry equipment and facilities that incorporate sustainable brewing practices.
- ❖ This program is the first of its kind in the nation.
- ❖ The program includes classroom work that is coupled with firsthand experience in a small-scale teaching brewery going through the process of brewing from “grain to glass.”
- ❖ Students seeking only the brewing certificate can complete that as a stand-alone program at KVCC or complete the certificate as part of an associate degree designed specifically to transfer into the Bachelor of Science program at WMU.
- ❖ Students can also begin their studies at another community college, college, or university, or WMU and complete the KVCC certificate along the way to their bachelor’s program.

Courses that can be completed at Mid Michigan:

WMU Courses	Mid Courses
BUS 1750	BUS 151
ENGL 1050	ENG 111
ENG 1100 or COM 1700	ENG 112 or COM 101 or 261
BIOS 1600	BIO 131
BIOS 1610	BIO 101
BIOS 2500	BIO 204
CHEM 1100 1110	CHM 111
CHEM 1120 1130	CHM 112
CHEM 3700 3710	*CHM 245 & 255 and CHM 246 & 256
PHYS 1130 1140	PHY 105
PHYS 1150 1160	PHY 106

MATH 1180
PSCI 2000

MAT 124 (MAT 126 or 217 or 225 will be accepted)
POL 201

*An equivalent to CHEM 3700 is not available at Mid Michigan but the requirement can be satisfied with the two-semester sequence of CHM 245 | 255 **and** CHM 246 | 256. **BOTH** CHEM courses and labs must be completed to satisfy the CHEM 3700 requirement at WMU.

General Requirements:

- ❖ Please refer to the [WMU Essential Studies \(WES\) Transfer Guide](#) that lists courses meeting WES requirements at WMU that may be taken at Mid Michigan.
- ❖ All students graduating from the College of Arts & Sciences must complete the College of Arts and Sciences Essentials (CASE). This includes world language proficiency (detailed in next bullet point), ENGL 1050/1060 sequence, and by completing the baccalaureate writing requirement.
 - Students will meet the world language proficiency by completing two semesters (6-8 hours) of the same foreign language or American Sign Language or passing WMU's proficiency by exam. Please contact the College of Arts & Sciences Undergraduate Advising Office at (269) 387-4366 with any questions. Neither the MACRAO Agreement nor the MTA satisfy the world language requirement.
 - If the student's first language is not English, then the student is exempt from this requirement. Determination of eligibility for this exemption is based on whether the student was required to take the TOEFL test for admission and can be verified through the WMU departments of Spanish or World Language and Literatures.
- ❖ Students receiving the Michigan Transfer Agreement (MTA) will have CASE (including world language proficiency), and WMU Essential Studies Level III – Connections to complete.
- ❖ For those *not* obtaining the MTA, please refer to WMU Essential Studies Transfer Guide.
- ❖ You may email the WMU advisors in the College of Arts and Sciences for further clarification about **WES** or **CASE**.
