2021/22

Western Michigan University Chemistry Curriculum Guide

The WMU Department of Chemistry offers a choice of five majors:

- **Chemistry major** - this 35-credit hour major in the College of Arts & Sciences is designed for students interested in graduate studies in chemistry. This major also suits students interested in teaching chemistry at the middle/high school level after completion of a Master of Arts in Teaching: Secondary Education.
- **Chemistry major ACS Certified** - this 42-credit hour major is certified by the American Chemical Society and is for students planning to enter the chemical industry, though it may be taken by students planning on graduate school study of chemistry.
- **Biochemistry** - this 36-credit hour major is recommended for students interested in careers in health sciences (medicine, dentistry, nutrition, pharmacology, etc.) or a graduate career in biochemistry or molecular biology.
- **Business-oriented chemistry major** - this 37-credit hour major is available to provide the chemical understanding needed if you are preparing for a career in the chemical industry, outside the laboratory. A minor will be chosen in the Haworth College of Business, and students are prepared to enter areas of management, sales, and some aspects of government service.
- **Geochemistry major** - this 68-credit hour major is designed for students interested in the fields of geochemistry or environmental chemistry and is advised in the department of Geological and Environmental Sciences.

Important Information:

- You must meet one of the following math requirements: **MATH ACT** score of 27 or higher or **MATH SAT** score of 640 or successful completion of **MATH 1110** (MAT 1150 at OCC) with a grade of a "C" or higher or score 61% on the ALEKS math placement exam. More information about the ALEKS math placement can be found at <https://wmich.edu/math/placement>.
- All chemistry majors must meet with the College of Arts and Sciences chemistry advisor about major or minor, WES, and degree requirements. You must make an advising appointment to declare your major or minor.
- Chemistry majors must complete a minor (except Geochemistry). Business-oriented chemistry majors will be required to complete a minor in General Business, Management, or Marketing in the Haworth College of Business (HCoB).
- Chemistry majors must complete their last 14 credit in the department of Chemistry at WMU.
- Chemistry minors must complete at least 8 credits at WMU.

Courses that can be taken at OCC:

WMU courses

CHEM 1100|1110

CHEM 1120|1130

CHEM 3750|3760

CHEM 3770|3780

MATH 1220

MATH 1230

MATH 2720

PHYS 2050|2060

PHYS 2070|2080

OCC courses

CHE 1510

CHE 1520

CHE 2610|2650 (elective for Geochem majors)

CHE 2620|2650 (elective for Geochem majors)

MAT 1730

MAT 1740

MAT 2740 (elective for Geochem majors)

PHY 2400 (elective for Geochem majors)

PHY 2500 (elective for Geochem majors)

Business-oriented majors may take these additional courses:

BUS 1750

BUS 1100

MKTG 2500

MKT 2520

ACTY 2100

ACC 1810

Biochemistry majors may take these additional courses:

BIOS 1610

BIO 1530

BIOS 1620

BIO 1560

BIOS 2500

BIO 2560

BIOS 3120

BIO 2710

Geochemistry majors may take these courses:

*****Very important note:** Geochemistry majors only need the following Chemistry courses: **CHE 1510, 1520, CHEM 2250|2260** (not available at OCC), and 9 hours of **upper level Chemistry** course-work at WMU. You will also need 11 credits of **Math and General Science** (see below), and 9 credits of Geoscience electives (not available at OCC).

Math and General Science or Chemistry electives:

CHEM 3750|3760

CHE 2610|2650

CHEM 3770|3780

CHE 2620|2650

MATH 2720

MAT 2740

MATH 3740

MAT 2810

PHYS 2050|2060

PHY 2400

PHYS 2070|2080

PHY 2500

General education requirements:

- Please see the [WMU Essential Studies \(WES\) transfer guide](#) for requirements for all students.
- All students graduating from the College of Arts & Sciences must meet the world language proficiency by completing two semesters (6-8 hours) of the same foreign language or American Sign Language or passing WMU's proficiency by exam. Please contact the College of Arts & Sciences Undergraduate Advising Office at (269) 387-4366 with any questions. Neither the MACRAO Agreement nor the MTA satisfy the world language requirement.

- If the student's first language is not English, then the student is exempt from this requirement. Determination of eligibility for this exemption is based on whether the student was required to take the TOEFL test for admission and can be verified through the WMU departments of Spanish or World Language and Literatures.
