**Western Michigan University Bachelor of Science, Healthcare Services and Sciences General Curriculum Guide**

**The Healthcare Services and Sciences (HSS) General major is designed to prepare students to work in variety of health careers:**

- Students who want to prepare for administrative and other non-clinical positions in the complex and varied career area of health care.
- Students who plan to attend graduate school in a clinical or non-clinical career.
- In addition to the general HSS major, specific concentrations are available to students:
  - HSS Blindness and Low Vision Preparation Concentration
  - HSS Clinical Practice in Health (Degree completion for students already working in health care who hold associate degrees or certificates in health-related areas.)
  - HSS Occupational Therapy Preparation Concentration
  - HSS Physician Assistant Preparation Concentration

**Admission Requirements:**

- Students admitted to WMU and in good standing are eligible to major in Healthcare Services and Sciences. Grade restrictions apply for continuing in the major.

**General education (WES) requirements:**

- Please refer to the [Western Essential Studies \(WES\) transfer guide](#).
- Students choosing the general HSS major must have a minor for graduation. Those in a preparation concentration have the option of completing a minor. Please check with your WMU advisor about courses you can take at MCC that will count toward your minor.

**Other information:**

- Please visit the WMU Course Catalog and the Healthcare Services and Sciences webpage for more information.
- WMU advisors will review previous education of certified or licensed allied health professionals for credit toward the BS-HSS Clinical Practice in Health major.
- WMU's HSS program students are required to complete an internship or similar capstone experience in addition to required courses. Students with an associate degree in health-related fields will likely be exempt from this requirement.
