

**Delta College**

**2023/24**

## **Western Michigan University Bronson School of Nursing Curriculum Guide**

### **Nursing requirements:**

- This program guide is intended for students who do not already have a nursing license.
- Students admitted to WMU are actually admitted to the pre-nursing curriculum.
- Admission to the pre-nursing program does not guarantee admission to the professional phase of the program.
- Students must be admitted to WMU before they can apply to the professional nursing program.
- To be eligible to apply to the professional nursing program students must:
  - Complete all prerequisites with a minimum of a “C” (2.0) or higher in each course
  - Achieve a minimum cumulative grade point average of a “B” (3.0) or higher
  - Earn an average grade of “B” (3.0) or higher in the four science prerequisite courses (or equivalencies). Each prerequisite course may be repeated once. Only the second grade will be considered in the admission decision.
- Students must complete the following courses before applying to the professional program:

<b>WMU Courses</b>	<b>Delta Courses</b>
CHEM 1510 1520	CHM 111**
CHEM 1530 1540	CHM 221 and CHM 221L**
BIOS 1910 or 2110	BIO 140 or 152 or 240
BIOS 2400	BIO 153 or 241
ENGL 1050 (select 1)	ENG 111 (or A, B, C or H), 112, 112A, 112H, 113, OAT 151
SOC 2000 or 2100	SOC 211 or 211H or 212
PSY 1000	PSY 211 or 211C or 211H
HSV 2250	PSY 227

\*\* Students attending Delta should take Chemistry 111 and Chemistry 221+221L at Delta College, or CHEM 1510|1520 and 1530|1540 at WMU, but not one at Delta, and the other at WMU. This recommendation comes from WMU’s nursing program and from the WMU chemistry department.

### Important notes:

- The nursing program has developed a **holistic admissions process** that allows them to admit students with unique experiences and excellent academic performance to come together in an inclusive learning environment.
- The process is competitive and thorough and includes a critical evaluation of your GPA and may include a personal statement, letter of recommendation, essay questions and interviews.
- 45 students are selected twice each year.
- The deadlines for submitting the nursing application are **March 1** (Fall) and **October 1** (Spring) each year.
- Please [click here](#) for the entire nursing application process information.
- Questions about the application process should be directed to the college advising office listed below.
- Students may also complete the following courses, which are part of the professional curriculum, at Delta (required for WMU graduation):

<b>WMU Courses</b>	<b>Delta Courses</b>
BIOS 2320	BIO 203
STAT 3660	MTH 208

### General Education Information:

- Some of the general education requirements are met by the courses that are in the nursing program. Contact the Pre-Nursing advisor for more information. Please see the [WMU Essential Studies \(WES\) transfer guide](#).
