## **Western Michigan University Public Health Curriculum Guide**

### **Western Essential Studies (WES) Requirements:**

- Students must fulfill the Western Essential Studies (WES) requirements for graduation from WMU. Please see the [WES transfer guide](#). Your community college advisor should be able to help you with this information.
- Please note, in the list below, that some of the required support courses, signified by \* (required cognates for all students in the public health program) and those signified by # (can count toward WMU required 18-hour public health emphasis area) will also satisfy some of the WES requirements.
- SOC 207 meets WMU WES Diversity & Inclusion requirement. (Using to satisfy SOC 2100 cognate requirement)
- ENV 101 is a recommended public health emphasis area course as it also meets WMU WES Planetary and Sustainability requirement.
