Signing up online is easy. You’ll go through a series of screens asking for your choices and preferences about housing and dining. So you can plan ahead, here’s what we’ll be asking you.

<td>This is your incoming status and student classification. Most first year students will enter “freshman” as their status and “new student” as their classification.</td>
</tr>
<tr>
<td>Interests</td>
<td>These lifestyle and interest questions are used to match you with a roommate if you don’t have a roommate request.</td>
</tr>
<tr>
<td>Roommate Preference</td>
<td>You’ll need your requested roommate’s Bronco Net ID. All roommate requests must be reciprocal in order to be considered. Contracts with roommate requests are due by May 15.</td>

### Dining Plan
Choose 1 of 5 options:
- **Bronco Gold**
  (unlimited entry to the dining halls)
- **Declining balance plans**
  (set # meals/wk)
  - 20, 15, or 10 Meal Plan
- **No meal plan**
  (limited to certain halls)

Students can eat in any dining hall on campus.

### Hall Preferences
List 6 different halls in priority order, as well as indicate if you are interested in a Learning Community.

**Tips:**
- Don't list all preferences as the same hall. We'll have no idea where else you want to live if the hall is already full.
- First-year students can request a single room, but few are usually available. Our returning students grab them fast. Super Singles are an additional cost.
- Learning community requests will take priority over hall requests.

### Criminal History
Report if you have been convicted of a felony, and provide details if so.

### Save Contract
Always a good idea!

### Print Contract
Print and sign your contract, and return it to Residence Life via mail, fax or e-mail attachment.

**Your housing application is not finalized until we receive your signature page!**

Housing assignments are done on a first come, first served basis from when signed contracts are received.
