The WMU Bronson School of Nursing seeks candidates for a full-time, academic year, tenure track Faculty Specialist I/II – Clinical Specialist position.

**Qualifications:** Master’s degree in nursing; specialization in mental health, community health and/or adult health nursing; Registered Nurse License with eligibility for Michigan License; community-based, interdisciplinary, inter-institutional experience/background; Nurse Practitioner License with eligibility for MI license desirable; teaching experience in a baccalaureate program in clinical areas and classroom preferred; evidence of technological literacy and on-line instruction preferred.

**Responsibilities:** Supervise and instruct professional nursing students to work with clinical health problems and with health and wellness promotion with individuals, groups and communities; contribute to the missions of the School, College and University; service to the Department, the University, the profession, and the community; contributing to an interdisciplinary environment of research, instruction, and community collaborations.

**The University:** Western Michigan University, a learner centered, discovery driven and globally engaged public research university, enrolls more than 23,000 students from 100 nations around the globe. WMU has been designated by the Carnegie Foundation for the Advancement of Teaching as one of just 147 public institutions in the nation with high or very high research activity.

**Salary:** Competitive and commensurate with qualifications and experience, with an excellent benefits package.  **Expected Start Date:** August 15, 2016 (Fall 2016).  **Application Deadline:** Applications accepted until position is filled. Please visit [www.wmich.edu/hr/jobs](http://www.wmich.edu/hr/jobs) (posting number 0603307) for detailed information and application procedures.

WMU is an Equal Opportunity/Affirmative Action Employer. Minorities, women, veterans, individuals with disabilities and all other qualified individuals are encouraged to apply.
