• Overview
• Commitment
Background

- Started at The Gibbs House garage back in 2011
- Moved to The Studio in 2013
- Has grown consistently
- It has provided service to 650 individuals, 1,305 total visitors, and hosted 182 Open Shops in 13 semesters and 4 years since 2013
Objective

To work with students, staff, and community members in order to promote, encourage, educate, and create a safe environment to increase mechanic skills and non-motorized transportation awareness.
• Serves the community
• Teaches mechanic skills
• Allow people to work on their own bicycles
