Elective Courses

Nine hours of course work from a single department or program outside the EMR program such as sociology, psychology or other area approved by the advisor. Total: 9 hrs

Portfolio Assessment

During the Capstone Portfolio experience, the students will develop a portfolio that shows their ability to apply the techniques from the core courses. At least one element on the portfolio must be the report of an independent piece of inquiry for submission to either a professional journal or a conference program. Portfolios must be submitted to the program faculty three months prior to an anticipated graduation date.

Total Minimum Credit Hours for Degree: 36 hrs
