lottie.m.broadway@wmich.edu, jennifer.harrison@wmich.edu, kevin.high@wmich.edu, Hill Sarah <sarah.hill@wmich.edu>, Denise Keele <denise.keele@wmich.edu>, Koretsky Carla <carla.koretsky@wmich.edu>, kimberly.m.juwong@wmich.edu, Farber Paul <paul.farber@wmich.edu>, regena.fails.nelson@wmich.edu, timothy.palmer@wmich.edu, john.spitsbergen@wmich.edu, carol.weideman@wmich.edu, lisa.whittaker@wmich.edu, Jamie Hirsh

Present
Tim Palmer, Kevin High, Lisa Whittaker, Carol Weideman, Roxanna Duntley-Mattos, Scott Smith, Jamie Hirsch, Kim Juwong
Bill Davis, Heather McGee

Conversation
Brief overview of StART II FLC, goals, timeline, etc. for new participants

Sustainability Presentation and Conversation

- Sustainability grants: examples of students sustainability fee funded grant projects – living wall outside of OfS (include link to sustainability grants on StART II FLC webpage)
- Are there ways to incorporate sustainability grants into coursework or follow-up with capstone hours?
- Potential for development of RSOs
- Student sustainability survey
- Updates to website can be viewed at: http://wmich.edu/sustainability/research/start-ii-flc
- Creating courses: don’t necessarily have to teach the course you create
  - Cross-listed courses
  - Tim Palmer to create a course that takes students to India
  - Guest speaker courses
  - Courses that are taught by graduate students
- Resources: Journal of Sustainability Education
- Review of sustainability definitions (from PUSC) – draft to be posted on StART website

Feedback on PowerPoint
• Include videos from students, staff, possibly the president and/or provost
• “Sustainamonials” displayed on sustainability website – small Youtube icon on bottom right corner of page
• Request for outline/proposal of high leverage ideas for getting faculty, students, etc. involved

Harold Glasser to present on history of sustainability at next StART II FLC meeting

Adjournment
Meeting was adjourned at 5:30 pm by Bill Davis and Heather McGee. The next general meeting will be at 4 – 5:30 pm on April 24, 2013, in the Office for Sustainability.
