<b>Approved New Visit Semester:</b> Fall 2027	<b>Approved Length of Extension:</b> ___ one semester <u>  x  </u> one year    ___ two years
<b>Semester of Following Visit:</b> Fall 2034	This modification of schedule will permanently change the accreditation cycle of the EPP per the state's request.

The request for a modification of schedule was approved by CAEP at the request of the state of Michigan. The request was made by a state with a CAEP state agreement in consultation with the EPP.

The previous Modification of Schedule notification was sent with incorrect information – the state requested a one year change, not a one semester change. This notification voids the previous notification sent in August 2021.

Please contact Ben Frattini ([ben.frattini@caepnet.org](mailto:ben.frattini@caepnet.org)) if you would like to discuss the basis for this decision further.
