Adapting the Martin Luther King Jr. Academy Student Success Model: Disability Services for Students and the College Assistance Migrant Program

The Martin Luther King Jr. Academy (MLK) at Western Michigan University and has over 50 years of history working with students. This presentation will take a historical look at the MLK Academy and its impact on student success. Presenters will discuss how this model has been adapted across campus by various programs with different target populations of students. The adaption of this model exemplifies the power in collaboration to increase the success of all students across program lines.
