Meet our Fall 2017 Bronco Study Zone Course Assistants!

Alicia Sanfillippo  
**Major:** Dance, Secondary Education (Math)  
**Hometown:** Hanover Park, IL  
**Interests:** Dancing (obviously), music – attending concerts, traveling to new places, being outdoors – hiking, exploring, etc., and volunteering  
**Why you want to be a tutor?** Being a tutor is great experience for me as I pursue teaching certification. It is helpful working with students one-on-one or in small groups to grasp their thought processes and thus tailor my assistance accordingly. It’s also nice to see the same students on a weekly basis so that I can really get to know them and witness their progress.

Personal/Career Goals:

Courtney Dreyer
Major: English: Rhetoric and Writing Studies & Psychology
Hometown: Granville, MI
Interests: Watching movies, reading, writing, and cooking
Why do you want to be a tutor? I wanted to be a tutor because of my passions for both learning and teaching. I love helping others and being able to learn even more about a subject through tutoring and coaching it.

Devin Merz (Haworth College of Business)
