## **Western Michigan University Dietetics Curriculum Guide**

### **Pre-dietetics requirements:**

- Students are admitted to the Pre-dietetics program for the first two years, and most apply for admission to the major (years 3 and 4) at the end of the second semester of the sophomore year.
- The application deadline is May 15 of each academic year, and must include the Didactic Program of Dietetics (DPD) application form, a letter of application, a non-refundable \$20 application fee, and official transcripts from all colleges and universities attended.
- Minimum admission requirements:
  - Attainment of a cumulative GPA of 3.0;
  - Completion of a letter of application stating reasons for selecting dietetics as a career, and short- and long-term professional goals;
  - Completion of the following pre-dietetics courses:

**Important notes:**

- In the third and fourth years of this program, there are other expenses that you will incur. Examples are: \$50 for a professional membership fee and \$10 for liability insurance.
- Admission to the last three semesters is determined by a selection committee.
- There are specific requirements for the application process, such as format for the letter of application, where the application is to be sent, and to whom. Please visit the dietetics website for further information.

**General education requirements:**

- Please see the WMU [general education program transfer guide](#).
- Students from Gogebic should choose one class each from Areas I, II, III, and VIII.
