Shaw Theatre is a traditional proscenium theatre. Seating up to 541 guests, this space is ideal for dance concerts, theatrical productions, and lectures. If you're looking to use the space non-traditionally you can host numerous events on the actual stage floor. The 2400 square feet of sprung stage floor lends itself to large dinner parties among other exciting possibilities.

YORK THEATRE

The York Theatre is a 1600 square foot black box theatre space that can seat up to 100 in a flexible arrangement. This smaller, more intimate space, is often used for smaller receptions and theatre and dance rehearsals.

CONFERENCE ROOM

Located on the lower level, the Conference Room is an ideal space for business meetings and planning sessions. A large conference table surrounded by 18 chairs provide a perfect seating arrangement for round table discussions and meetings.

Featuring numerous spacious and flexible spaces that can adapt to your specific needs the Gilmore Theatre Complex is an exquisite place to entertain your guests or conduct business better than usual.

Overhead you'll find a full fly house that can hang anything from lighting and sets to party decorations.
