

NEW for Directors – Middle School Music Clinic and Reading Session

We are proud to announce that this year Jim Cochran from Shattinger Music Company will be joining us for “The Joy of Middle School Band: Kids, Music, Teachers.” Jim is one of the foremost authorities on band music in the country. His knowledge of band repertoire is extensive, including both the great works that have stood the test of time and the newest literature available.

Jim will be presenting a clinic and reading session for the middle school directors attending the conference and he will have music available for purchase. This session will take place in Rehearsal B in Dalton Center at 11am. So, directors should bring their instruments and be prepared to experience the best of recent publications for middle school band.

This is an exciting new feature that we hope everyone will enjoy and benefit from. We are grateful to Jim Cochran and Shattinger Music Company for providing this wonderful opportunity.
