Career Services
Career planning specifically for graduate students.

Whether you are headed into the academy, industry, government, education or somewhere else, you need a career plan to reach your goals. Our office can help, make an appointment today.

On line Career Resources:
Chronicle of Higher Education: http://chronicle.com/section/Advice/66/
Career Management Tools http://www.interfolio.com/

Your career plan may include:
✓ Time line to goal
✓ Identifying positions to pursue
✓ Branding yourself with social media
✓ Securing solid employment references
✓ Nurturing a professional network
✓ Practice interviewing/Presenting
✓ Detailing your accomplishments in a Curriculum Vitae’ or Resume:
  • Publications
  • Presentations
  • Conference attendance
  • Teaching experience
  • Research
  • Employment

Contact:
Dr. Kelli Cummings,
Career Development Specialist

Call to schedule an appointment, 269-387-2745.
