

Alpena Community College

2023/24

Western Michigan University Aviation Curriculum Guide

Pre-Aviation curriculum requirements:

- The aviation program has 3 different majors:
 - Flight Science (pilot training)
 - Technical Operations
 - Management and Operations (management and technical support)
- ❖ The Flight Science major has several requirements for access to flight courses:
 - A Chief Flight Instructor-approved application for each ground school and flight lab
 - An FAA 2nd class medical (1st class is recommended)
 - Enrollment in flight theory courses is subject to a minimum grade point average of 3.0 for community college students and transfers from other 4-year colleges and/or universities and placement of Math 1110 or higher at WMU
 - Availability of aircraft and instructors

The following courses are required of all 3 majors and may be taken at Alpena:

WMU Courses	ACC Courses

*Please see the <u>WMU Essential Studies (WES) program guide</u>

COM 1700 SPE 12 STAT 2160 MTH 223 MATH 2000 MTH 130

IEE 1020 BUS 248 or ENG 111 or 112 or 121 or 122 or 123

Required for Flight Science majors only:

ECON 2010 ECN 231

PHYS 1070 | 1080 PHY 121 & 122

PSY 1000 PSY 101

Required for Management and Operations majors:

ACTY 2100 BUS 123 ACTY 2110 BUS 124 BUS 1750 BUS 121

ECON 2010	ECN 231
ECON 2020	ECN 232
MKTG 2500	BUS 241
PSY 1000	PSY 101

Required for Technical Operations majors only:

BUS 1750 BUS 121

PHYS 1070 | 1080 PHY 121 & 122

Important notes:

- ❖ Satisfactory completion of all CFR Part 147 requirements in the Technical major prepares students to take the Federal Aviation Administration (FAA) Airframe and Powerplant written and practical exams.
- ❖ Flight Science majors are strongly encouraged to obtain the FAA First Class Medical Certificate before committing to this program. An FAA Second Class Medical Certificate is a prerequisite for the first flight course.
- ❖ All Flight Science students are required to subject themselves to the college-approved drug testing procedure before being allowed to participate in any flight activity in University aircraft.
- Graduates of the Flight Science major earn their FAA Commercial Pilot Certificate with Instrument and Multi-engine Land ratings.
- ❖ For information on airplanes, hangars, engines, and other technical items, please visit the WMU College of Aviation website.
- For program information, please contact the advising office indicated below.
