\*Students may either complete the course at another college, or plan to take it their first semester at WMU. \*\*Students should plan to take this their second semester at WMU.

### General education requirements:

- ❖ Please refer to the [WMU Essential Studies \(WES\) transfer guide](#) that lists courses meeting WES requirements at WMU that may be taken at MCC.
- ❖ One of the WES requirements is a math requirement. We recommend statistics, because much of the interpretation of psychological research rests on knowledge in statistics.
- ❖ All students graduating from the College of Arts & Sciences must complete the College of Arts and Sciences Essentials (**CASE**). This includes world language proficiency (detailed in next bullet point), ENGL 1050/1060 sequence, and by completing the baccalaureate writing requirement.
- ❖ All students graduating from the College of Arts & Sciences must meet the world language proficiency by completing two semesters (6-8 hours) of the same foreign language or American Sign Language or passing WMU's proficiency by exam. Please contact the College of Arts & Sciences Undergraduate Advising Office at (269) 387-4366 with any questions. Neither the MACRAO Agreement nor the Michigan Transfer Agreement satisfy the world language requirement.
  - If the student's first language is not English, then the student is exempt from this requirement. Determination of eligibility for this exemption is based on whether the

student was required to take the TOEFL test for admission and can be verified through the WMU departments of Spanish or World Languages and Literatures.

- ❖ You may email the WMU advisors in the College of Arts & Sciences for further clarification about **WES** or **CASE**.

**Important notes:**

- ❖ Six **approved** psychology electives are required for the major. The following MCC courses are approved electives: PSYC 223 and 225.
- ❖ A minimum of 9 credit hours must be taken toward the major from the WMU Psychology department.
- ❖ For more specific information about the psychology major, or to declare your major, please contact psychology advising below.
