Let’s talk about what’s coming.

It’s been awhile.
State of the Web
50% of all WMU sites are in Drupal
62% of all WMU sites are in Drupal or preparing to move.
CMS issues

File attachments can’t be deleted

Webforms are not secure

Social media badges not available for some supported platforms

Moderation scheme is too restrictive

Moderation history, revert and unpublish operations are not accessible

Training should be in Elearning
We’ve fixed them.
Attachments field is revisionless

Saving a new draft deletes old files
Webforms over HTTPS

Private file store

Field encryption

WIN field

Manager
Moderation history for all users

Unpublish and revert for managers
Elearning will launch alongside 1.0
“CMS 1.0 launches in March.”

–Some foolishly optimistic person in Feb. 2014
CMS 1.0 launches in March.

For real this time.
