Freshman Applicants
As a current high school senior, in order to make the best possible transition from high school or home school to WMU, we encourage you to apply as early in your senior year as possible. Eligible students who have a complete application file by December 5 will receive priority consideration for WMU scholarships.

Whether you apply online, mail your application, or meet with us on one-on-one for an onsite admission, the major factors we consider in our admission decision are grade point average, ACT/SAT scores (optional writing test recommended), college prep courses taken, and trend of grades. Additionally, we will review other variables such as letters of recommendation or extra-curricular participation.

We strongly recommend that students complete a rigorous college preparatory curriculum that would include minimally: four years of English; three years of mathematics, Algebra I and higher (fourth year preferred); three years of social sciences; three years of science (at least two of biology, chemistry or physics); and two years of foreign language.

A good academic performance in your senior year is the bridge to a successful first year at WMU. A transcript verifying high school graduation, or an official GED score report, is required for all freshman applicants prior to enrollment in fall semester courses.

Transfer Applicants
All applicants must have an *official college transcript sent from each institution attended. If you have completed less than 26 transferable semester hours (39 quarter/term hours) at the time of application, you must also submit an official high school transcript and ACT or SAT scores (if you graduated from high school in the last two years) or an official GED score. When considering your application for admission, your grade point average and the trend of your most recent grades will be taken into account, as well as your high school work and ACT or SAT scores when necessary.

When applying we encourage you to use the following chart to allow yourself the best registration opportunity. Eligible students who have a complete application file by March 1 will receive priority consideration for WMU transfer scholarships. Some academic programs have a separate admission process, so check the online catalog at wmich.edu/catalog to see if you need to apply earlier than the dates shown.

*Official college transcript: WMU will accept an electronic or paper transcript sent directly from the institution, or a transcript brought to the Office of Admissions in a sealed envelope from the institution with a print date of 30 days or less from the date received in our office.

Instructions
All Applicants
1. Record your name as it appears on your social security card. The social security number is required to apply for federal tax credits, financial aid, and/or campus employment, but otherwise is optional. You will be assigned a WMU ID (WIN) number when admitted.
2. U.S. Citizens: Federal regulations require WMU to gather information regarding the ethnicity and race of its students. The law only requires educational institutions to report aggregate totals for each category. (Item 10)
3. All documents submitted become part of your permanent file at WMU and cannot be returned to you nor forwarded to any other institution.

Freshman Applicants
1. If you are a high school senior or previously graduated but never enrolled in any other college, select the “Entering Freshman” option in Item 17. Refer to the Undergraduate Majors list to select your intended major and record this information in Item 20. If you are undecided about your major, choose “University Curriculum.”
2. If your intended major is in the College of Fine Arts, a separate application is required for admission to the major. Be sure to review their website at wmich.edu/cfa for additional information and deadline dates.
3. Attach the $40 nonrefundable application fee, check or money order payable to Western Michigan University, to the application. To pay the application fee with a credit card, complete the Application Fee Credit Card Payment Form and attach it to your application.
4. Take your completed application and fee to your high school counselor. The counselor will complete the school’s portion of the application and mail it directly to us along with an official copy of your high school transcript. If you are using Docufide (Parchment Exchange) to electronically send your transcript, mail your application and application fee to the Office of Admissions, 1903 W. Michigan Ave. Kalamazoo, MI 49008-5211.
5. WMU requires the ACT or SAT for admission. When you register for the test and select WMU, your scores will be sent directly to us. WMU’s ACT code is 2066; SAT code is 1902. If you have been out of high school two or more years when you apply, you will be notified if the ACT or SAT is required.  
6. If you have taken the GED, arrange to have official scores sent directly to us from the State Board of Education.

Transfer, Second Bachelor’s, or Post Baccalaureate Initial Teacher Certification Applicants

1. You should apply a minimum of six months prior to the semester you plan to enroll (e.g., apply in January for fall). **The priority application deadlines are August 1 for fall semester and December 1 for spring semester.** After these dates, the Office of Admissions will work with students who complete their application files in time to enroll for the requested term. In some cases admission may need to be deferred to a subsequent term.  
2. If you are transferring from another institution, select the “Transfer” option in Item 17.  
3. If you have a bachelor’s degree and are applying for a second bachelor’s degree or initial teacher certification, check “yes”, and select the appropriate options in Items 14 or 15 and 17.  
4. Refer to the Undergraduate Majors list to select your intended major and record this information in Item 20. If you are a licensed nurse and have selected Nursing as your intended major, please include a copy of your current license with your application.  
5. If your intended major is in the College of Fine Arts, a separate application is required for admission to the major. Be sure to review the appropriate department website for additional information and deadline dates.  
6. Attach the $40 nonrefundable application fee, [check or money order payable to Western Michigan University](#), to the application. To pay the application fee with a credit card, complete the Application Fee Credit Card Payment Form and attach it to your application.  
7. Mail your completed application directly to the Office of Admissions.  
8. Request that all colleges you have attended send an official transcript directly to our office. If you have completed fewer than 26 transferable semester hours (39 quarter/term hours), your high school transcript or official GED scores also must be sent.

Non-Degree Applicants

1. **Non-Degree Status.** If you are not seeking a degree and only wish to take classes, select this option in Item 18 on the application. Mail your completed application, along with the $40 nonrefundable application fee, directly to the Office of Admissions. Students seeking non-degree status who have been enrolled in any academic institution within the preceding five years must meet the same admission criteria as degree-seeking students. Request that each school attended send an official transcript directly to us. If you have not been enrolled in any institution for five or more years, transcripts may not be required for this status. The conditions of admission for enrollment as a student with non-degree status are outlined in the WMU Undergraduate Catalog. **Acceptance for non-degree status does not constitute degree admission to WMU.**  
2. **Additional Major/Minor.** If you want to add an additional major or minor to an already awarded WMU degree, select the appropriate options in Items 16 and 18.  
3. **Senior Citizen’s Opportunity Program in Education (SCOPE).** Persons 62 years of age or older may qualify for this non-degree program. Students who want to register for credit are not eligible for SCOPE. Select the appropriate option in Item 18. Visit wmich.edu/registrar/students/scope for additional information.

Additional Information

1. **Military applicants:** Please complete Item 22 on the application. Must provide current status documentation.  
2. **Seita Scholarship applicants:** Please complete Item 23 on the application. If you answer “yes” to Item 22, your application fee will be waived.  
3. If you applied or were admitted within the previous two years, but never attended Western Michigan University, or if you have not attended for more than one year, you must use the [Readmission Application available in printable form at: wmich.edu/admissions/undergradapp/readmitapp.pdf](#).  
4. If you are currently enrolled at another accredited institution and wish to apply for guest status at WMU, visit wmich.edu/admissions/guest for additional application information.

Security Notice

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act require availability of the annual security and fire safety compliance document to prospective students, faculty, and staff. It is on Western Michigan University Department of Public Safety’s website at wmudps.wmich.edu/Documents/ANNUALREPORT.pdf. You may request a hard copy version by calling (269) 387-5555. The report includes campus security and personal safety information as well as crime prevention, fire safety, university police law enforcement authority, crime reporting policies, disciplinary procedures and other matters related to security and safety of campus. It also includes crime reporting statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings or property owned or controlled by Western Michigan University, and on public property within or immediately adjacent to and accessible from the campus.

Residency

WMU may request additional documentation to verify an applicant’s residency status. For more information see residency policy at wmich.edu/accounting-services/receivable/students.html.

Non-U.S. Citizens

1. **Non-U.S. citizens with other than an I-551 card** should not use this application. Application information is available at wmich.edu/internationaladmissions.
### Undergraduate majors

Select your intended major from this list and write the major and corresponding code, shown in parentheses, in Item 20. If you are undecided, choose University Curriculum (UNV).

#### Arts and Sciences
- Anthropology (ANTJ)
- Biochemistry (BCHJ)
- Biology (BYLJ)
