Explain any "yes" responses: _____

I understand that Sindecuse Health Center clinical staff will not be aware of the conditions indicated on this form. I further understand that massage should not be construed as a substitute for medical examination, diagnosis, or treatment and that it is my responsibility to consult a physician, chiropractor, or other qualified medical provider for any mental or physical ailment of which I am aware. I understand that the massage I receive is provided for the purpose of relaxation and relief of muscular tension. If I experience any pain or discomfort during the session(s), I will immediately inform the practitioner so that the pressure and/or strokes may be adjusted to my level of comfort. I understand that massage practitioners are not qualified to perform spinal or skeletal adjustments, diagnose, prescribe, or treat any physical or mental illness, and that nothing said in the course of the session(s) should be construed as such. Because massage should not be performed under certain conditions, I affirm that I have stated all my known medical conditions and answered all questions honestly. I agree to keep the practitioner updated as to any changes in my health and understand that there shall be no liability on the practitioner's part should I fail to do so. I also understand that any illicit or sexually suggestive remarks or advances made by me will result in immediate termination of the session, and I will be liable for payment of the scheduled appointment.
