

Login to the GoWMU portal

Click on the "Student Home tab"

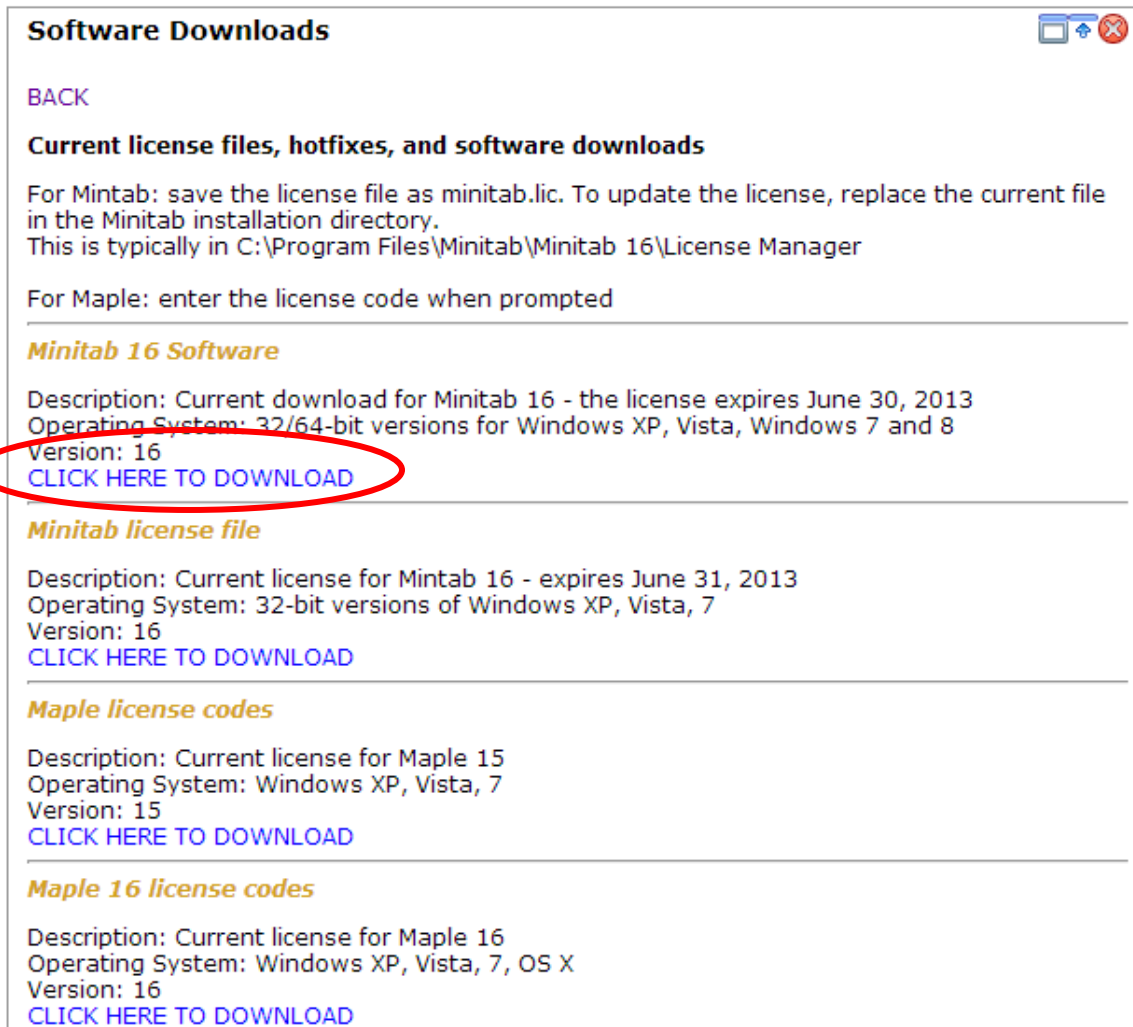

On the Left side you should see a link for "Software Downloads" Click this link

Now you should see "Software, Hot Fixes, and License Files as a link"

Clicking on the above link will show a list of software available to you for download

Click on "Maple and Minitab" which will give you the options shown in the screenshot below

Click on the "CLICK HERE TO DOWNLOAD" link under Minitab 16 Software

**Software Downloads**

[BACK](#)

**Current license files, hotfixes, and software downloads**

For Minitab: save the license file as minitab.lic. To update the license, replace the current file in the Minitab installation directory.  
This is typically in C:\Program Files\Minitab\Minitab 16\License Manager

For Maple: enter the license code when prompted

---
